Prost! Oktoberfest Comes to Fremont

The Oktoberfest celebration isn't just for adults this year. Fremont is again host to the celebration, happening Sept. 22-24. In addition to more than 70 beers in two beer gardens, there will be a craft market, a children's area, a chainsaw pumpkin-carving contest and other entertainment, a three-mile run/walk and new this year, a street scramble. Sunday is also a dog-friendly day, with City Dog magazine holding a cover dog model search, a doggie fashion show and a dog treats tasting. For more information, visit www.fremontoktoberfest.com.
